

RAISED ACCESS FLOORS

Specialist consultancy, inspection and testing services

An independent, professional and expedient testing service based on 40 years experience of laboratory and on site access floor testing.

BTL was established by Paul Nice, a consultant to the PSA during the development of the PSA MOB specification in the early 80's.

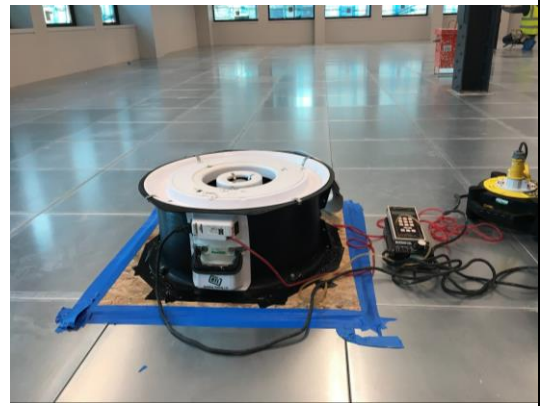

Building Testing Limited
Unit 12
Wintonlea Industrial Estate
Monument Way West
Woking
Surrey GU21 5EN
